

## **GOOD SHEPHERD B<sup>b</sup>**

**Good Shepherd we love You  
For Your pasture, Your flock  
You gathered all the scattered into one safe fold  
We listen for Your Voice;  
When we hear it, we rejoice  
You know us all by name, loving Lord.**

---

**Redeemer we praise You  
That You follow the plan  
The plan of the Father to save the world  
You gave your life for men;  
Then You took it up again  
In Glory you became our Lord.**

---

**We gather together  
In the sheepfold of God  
Expectantly wanting Your food and drink  
You satisfy our needs  
Your flock You tend and lead  
We joyfully proclaim You are Lord!**

---

**Lord Jesus empowered  
By the Father of all  
You share Your Holy Spirit with all Your flock  
We're less like sheep each day  
Move like You in everyway  
Oh fill us more and more Mighty Lord.**
