

MY GOD I WILL PRAISE YOU! B^b 4/4

CHORUS:

My God I will praise You all my life
Your mercies I will sing forever more
I'm here in Your House, O Lord with Your people
The vows I have made to You,
With joy I will pay them back before them all

REFRAIN:

With songs of joy, I will praise and worship
My God who is high yet He looks down with pity
On the lowly and the poor of the earth

VERSES:

1. There's one thing yet O Lord, which I will ask of You
Grant that I may all my life dwell here in Your House

2. Let everyone taste and see how good is the Lord
Cast all your cares upon Him since He cares for you
REFRAIN & CHORUS
3. Help He has said He will give all who would follow Him
Powerful is He to sustain us till we reach the end
